BANKASTRAAT APARTMENT

BANKASTRAAT 73 · DEN HAAG, 2585 EH NETHERLANDS

Serviced Apartment

Located within a 19th century townhouse in a private courtyard of Den Haag, the Bankastraat Apartment is ideally placed in a tranquil setting of Archipelbuurt/Willemspark. This attractive 19th century neighborhood borders one of the larger parks in the city. On the south-west side lies the Jewish graveyard dating from 1694 and the 'Peace Palace' is situated close by. This area of the city is characterized by broad streets with big townhouses (herenhuizen) and villas that house a mix of atmospheric residential accommodation and office space. A number of embassies are located in this part of town, particularly around Plein 1813. Nice quaint cafes and restaurants can be found in and around the Javastraat en Frederikstraat. The 60m2 one-bedroom apartment is a completely furnished property with wood flooring throughout, featuring an open-plan kitchen, satellite TV with DVD and/or VCR, and broadband Internet. Whilst the exterior is rich in history, the apartment itself is based upon contemporary living.
