CITADINES - PLACE D`ITALIE PARIS

18, PLACE D'ITALIE · PARIS, 75013 FRANCE

Serviced Apartment

L'Apart'hotel est situé sur la place même, dans le Paris des contrastes : d'un côté le quartier chinois, vivant avec ses restaurants et supermarchés, de l'autre la Butte-aux-Cailles aux ruelles paisibles bordées de maisonnettes et de bistrots. Vous irez flâner au Jardin des Plantes (ménagerie, Galerie de l'Évolution) ou vers la bibliothèque Mitterrand. À découvrir aussi, l'ambiance du proche Quartier Latin. Coup de cœur : la Manufacture des Gobelins, fondée il y a trois siècles. /// This Apart'hotel is situated at the crossroads of two very different worlds – on one side of the square lies Chinatown, with its exotic sights and smells as well as its restaurants and supermarkets. On the other, is a typically French scene- the Butte-aux-Cailles village is filled with quiet cobbled streets, small houses and bistros. It overlooks a tree-lined street, and is in an important economic area just a few minutes from the Ecole nationale des Arts and Métiers, Pitié-Salpêtrière hospital and the Latin Quarter. From your Apart'hotel, you can take a stroll in the Jardin des Plantes and Natural History Museum, or head towards the Bibliothèque Mitterrand (the new National Library). And when you feel like some excitement, head to the Latin quarter nearby. Absolute musts: the Manufacture des Gobelins, home to the state weaving companies, founded 300 years ago and still producing tapestries.
