Our Hemel Hempstead rooms are available in one or two bedroom luxury serviced apartments and are available for any number of nights, subject to availability. Bedrooms are independently lockable in some apartments with more than one bedroom giving our clients the security and flexibility of a hotel room or hotel suite but with the facilities, space and comfort of a real home. All beds are either doubles or king and the smaller bedrooms have use of their own private bathroom instead of en-suites. Each apartment has free private parking, a top quality fitted kitchen (with Nespresso coffee machines and washer/dryer), a DVD player and either wireless or wired broadband connectivity and direct dial telephones (daily charge applies). If you're planning a return visit you can leave a small number of personal belongings in a secure box...
