## BRIDGEWATER RESIDENCES

KEIZERSGRACHT 580 · AMSTERDAM, 1017 EN  
NETHERLANDS

Originally built in 1687, these nine exclusive residences now form part of a newly renovated monument offering high quality accommodation close to the city's many vibrant cafes and restaurants, as well as the main museums and theatres. The Dutch Masters Luxury Apartments at the front of the property have a view on one of Amsterdam's most beautiful canals, while apartments at the rear overlook the property's peaceful, private gardens. Each apartment is individually themed on a famous Dutch artist, ranging from Golden Age masters such as Rembrandt and Vermeer, to the contemporary Appel and Brood. The result is a stunning collection of regal and well-appointed residences, each with its own unique character and style. All of the apartments are designed to offer premium quality, comfort and modern convenience.
