## 1900 ELM

1900 ELM · DALLAS, TX 75201 UNITED STATES

Transformed into 129 loft-style residential apartments with an expansive first-floor retail concourse, 1900 Elm, The Titche-Goettinger Building, has kept its historical and architectural appeal. Ranging in size from 494 to 2,685 sq. ft., each open, airy, loft-style apartment is designed around original architectural elements. Each one is different from the rest. Some feature fabulous arched windows with panoramic city views. Others have floor to ceiling windows that open to the building's spectacular open-air atrium. Many feature original 15-ft columns adorned by ornate crown molding, as well as authentic casement windows. No matter where you look at 1900 Elm, you'll see fascinating echoes of the past... yet modern conveniences abound as well.
